Welcome to our Home!

Bobby McKey's, the Washington DC area's first and only dueling piano bar, opened its doors in November 2008. As a locally owned and operated establishment, we strive to provide the Washington area residents and visitors a unique, energetic and highly interactive dueling piano show that showcases the talents of our players. Most importantly we are a place where you can leave your cares at the door, have fun, and become part of the show! We are the place "Where feeling good is easy." Let us prove it.
